RAIN FALLS AT TORONTO

PATRONAGE OF GOODLY PROPORTIONS IN SPITE OF UNFAVORABLE CONDITIONS.

Hearts of Oak Scores Easy Victory in Breeders' Stakes and Bello Wins the Woodbine Steeplechase—Another Fast Davies Juvenile.

Toronto, Ont., May 27.—Today's races at Woodbine were held under most disagreeable conditions. It was a cold, raw, wet afternoon, but despite this drawback, a good-sized crowd was present. Contrary to expectations, there were few withdrawals, the light drizzling rain that fell, having but little effect on the going. The program was made up of the usual seven races, with the Breeders' Stakes for Canadian-breds, and the Woodbine Steeplechase, over the two and a half mile course, the features. The former proved easy for Hearts of Oak, which duplicated his King's Plate victory by entering home with a ten-length lead over Crystallawaga and Voyode.

The Breeders' Stakes has been an annual feature of racing for three-year-olds at Woodbine since 1889. Its tabular history since 1900 is as follows:

Year.	Winner.	Wt.	Jockey.	Val. Time.
1900	The Provost	122	Ballard	570 2:40 1/4
1901	John Ruskin	124	Yellon	620 2:41 1/2

1912	Amberite	117	G. Burns	930 2:04
1913	Hearts of Oak	127	J. Wilson	1,420 1:56 1/2

Gwyn Tompkins' Bello proved an easy winner in the Woodbine Steeplechase. She was coupled with Welshship and was ridden by J. Heatherington. Julia Armour, one of the Garth entry, lost her rider when racing in the lead, but was remounted and finished third.

The condensed history of the Woodbine Steeplechase since 1902 is as follows:

Year.	Winner.	A.Wt.	Jockey.	Val. Time.
1902	Sallust	7 150	O'Donnell	650 6:16
1903	Hitchcock	10 150	Gallagher	755 5:43 1/2

Distance in 1900, about 3 miles.

The Davies stable showed up another shifty two-year-old in the filly Recoil, which won the second race. Recoil was inclined to be fractious at the post and when the barrier was sprung she was slow to get going. When once in her stride, she cleared steadily on the leaders and in the homestretch won by a wide margin.

The conditions of the first race called for start-up to be ridden by maiden jockeys and a field of thirteen went to the post. A splendid show, suited, half a dozen horses fighting it out through the homestretch and at the finish three of them were heads apart.

Horton took Bunkin into camp in the fourth race, the latter finishing third. He stumbled and went to his knees soon after the start and this was in a measure responsible for his defeat.

For failing to declare after instructing jockey Hoffman not to punish Cliff Edge if his stable companion could win in the Queen's Plate yesterday, the stewards imposed a fine of \$50 on R. E. Watkins. So far as the public was concerned, it cut no figure, as the horses were coupled.

Jockey Butwell will remain until Thursday night, when he will leave for New York. Butwell will have the mount on Light O' M' Life in the Metropolitan Handicap.

Jockey R. Hoffman, who will ride for Thomas Fortune Ryan this summer, left for Belmont Park last night. Jockey Wolfe will leave for the same place tomorrow night.

Berrey, the Sain colt owned by Messrs. Dymont that won the King's Plate last year, broke down in his race of yesterday and will be on the shelf for some time.

Gray Burns has been engaged to ride the Whitney entry in the Subscription Race for two-year-olds that will be run at Piping Rock.

Bettie Sue bowed a tendon in her race of yesterday, which accounts for her poor showing.

William Garth wired for jockey Willie Allen to come to Toronto at once. Mr. Garth will ship The Welkin and Shannon River to Montreal.

The meeting of the stewards of the Canadian Racing Association that was to have been held yesterday afternoon has been postponed until Friday, when a full board probably will be present.

The three-year-old Rosarium, which was purchased by J. Clay from N. B. Davis for \$3,000 last fall, grabbed his quarter while being galloped yesterday, which will incapacitate him for a few weeks.

SAVING DONERAIL FOR LATONIA DERBY.

T. P. Hayes Has Hopes of Duplicating His Kentucky Derby Success with the Colt.

Louisville, Ky., May 28.—T. P. Hayes is training his Kentucky Derby winner, Donerail, with every care in anticipation of winning the Latonia Derby with this son of McGee. The Latonia Derby will be run two weeks from the coming Saturday, being programmed for June 14. The twenty-four days of racing at Latonia will open on Monday, June 3, and the opening day feature is to be the inaugural Handicap, one mile and a sixteenth, with fifty-seven nominations.

If Donerail is successful in winning the Latonia Derby, he will duplicate the performance of such three-year-olds as Leonatus, Klugman, Halma, Ben Brush, Lient, Gibson, Elwood and Sir Huon, all of which famous performers won both the Kentucky and Latonia Derbys.

Donerail will have to pick up a five pound penalty in the Latonia Derby and run a mile and a half. This will make his weight 127 pounds. Still, Sir Huon, Elwood, Ornament and Halma all succeeded in carrying this weight to victory in the Latonia Derby, and Klugman won the event with 128 pounds up. At a glance it appears like a hard task for Donerail to pick up ten pounds on his Kentucky Derby performance, but his recent work at Douglas Park shows that he is an improving colt.

Great Britain, George M. Hendrie's Latonia Derby candidate, is training well at Douglas Park for John Walters, and he is strongly fancied by many good judges on the strength of his late two-year-old racing at Latonia last fall. He is a son of The Commoner and thus of the blood of Hanover,

REVIVAL OF NEW YORK RACING CLOSE AT HAND

New York, May 27.—The gates of Belmont Park, America's finest race track, will be unlocked next Friday afternoon for the first thoroughbred running meeting on a big track in this state since Saratoga closed in 1910. Various hunt meetings have been held at Belmont Park Terminal, just across the highway, but this will be the first attempt to provide real racing under the auspices of the Jockey Club and in accordance with the latest interpretation of the so-called anti-bookmaking law by the courts.

A decision by Supreme Court Justice Townsend Scudder in the Shane case, which was approved subsequently by the Appellate Division in Brooklyn, paved the way for this revival of racing. When the legislature passed the amendments to the Hunt Agnew laws in 1910 making directors of racing associations criminally liable for bookmaking, without writing, whether it was conducted with or without their knowledge or consent, the owners of the various tracks decided to close their gates rather than encounter serious trouble.

The arrest of Paul Shane, an alleged bookmaker, at Belmont Park Terminal in June, 1912, was the entering wedge. He was charged with violating the new law because he privately laid 5 to 1 on certain horse and accepted a \$5 wager, the terms of which were recorded by the bettor. Shane was released on a writ of habeas corpus, which was sustained by Justice Scudder, who ruled that private wagering of an oral nature was not a crime and that directors of racing associations could not be held liable for such innocent proceedings. But Justice Scudder pointed out that "taking bets as a business" was a violation of the law.

No sooner had this opinion been confirmed unanimously by the Appellate Division than the racing associations decided to resume operations. Prominent men identified with racing and breeding proceeded to raise a fund of more than \$100,000 to guarantee stakes and defray expenses. James Butler purchased a big band of Keeney stallions for \$60,000 and Charles Kohler and invested a large sum of money in thoroughbred stock. Alexander S. Cochran, C. K. G. Billings, Thomas F. Ryan and others became interested in the welfare of the sport too, while the old supporters of racing—August Belmont, H. P. Whitney, H. K. Knapp, John Sanford, R. T. Wilson, John E. Madden, Andrew Miller and the Hittchcocks—began preparing for the coming season. From the outset the turf governors made it clear that they intended to discourage and suppress the professional gamblers who had infested the tracks in former years.

"We will not tolerate bookmaking or open gambling," they said, and when Governor Sulzer announced that he would instruct the county authorities to enforce the laws the turf solons heartily commended him. It may be that since Governor Sulzer's ultimatum the Belmont and the Knapp and the district attorney and sheriff of Nassau County have been working in harmony. It also may be stated that when the big track opens on Friday professional gamblers will find themselves in hot water if they attempt to operate. It will not be surprising if several notorious individuals who once chalked odds and did a land office business in bets are barred from the track.

It will be physically impossible to prevent private bets, however. A detective force of several hundred sleuths would be required to apprehend those who wager among friends, either with a nod of the head or a sign of the finger. The courts have decided that such speculation is not illegal and there is reason to believe that the county authorities will know where to draw the line. But there will be no betting ring with layers sitting on high stools, putting prices on stakes and collecting business. Those methods have gone forever.

The Belmont Park meeting will embrace eighteen racing days, winding up on July 5. At present it is the plan to race three days a week, depending entirely on the gate receipts and the owners' fund to make ends meet. Expenses will be heavy, yet there is no idea of collecting a revenue from the

which has proven so potent this spring, both Donerail, the Kentucky Derby winner, and Cream, the wonderful sire.

Weber & Ward may be able to get Solar Star to the post in the Latonia race, though trainer Ward announced some time ago that he would not make an effort to fit the colt to run a mile and a half so early after his recent win. He has been going along rapidly in training, but his starting will depend on what kind of showing he makes in the preliminary race at Douglas Park during the final week of the training season.

Great Britain, Solar Star and A. L. Aste's Ten Point will all carry 122 pounds in the Latonia Derby race, as will Foundation. Other eligibles in training for the race are Zimmi, Ill. Merfin, Prince Hernis, McCorkle, Leochares, Gowd and Christmas Star. With \$6,000 added, it will be the richest Derby run in America this year.

The next stake event down for decision at Douglas Park is the Memorial Handicap with \$2,000 added, at six furlongs, which will be run on Friday, Decoration Day. There are sixty-eight nominations and the field will embrace the best of the sprinters now in training here.

Dr. C. Cunn has fired for W. G. Yanke his two-year-old winner, Ooma and that filly will be turned out for a brief season and may not again be raced until fall. There is nothing serious the matter with her legs, but the treatment is to prevent the development of anything along that line.

W. H. Karriek took all of his spring, which will race at Belmont Park in the name of the Oneck Stable, to the east yesterday. The great filly, Sprite, leaves Kentucky with an unbeaten record this season and if she races in the same form on the New York tracks as she did at Lexington and Churchill Downs, she will not soon be defeated.

Trainer Tandy Hughes has a hard-luck story to tell of Polix, the winner of the first Derby at Jacksonville, and the last horse to race in the colors of the once prominent turfman, R. L. Thomas. Hughes has been training Polix for nearly a year to get him up to a good race and he believed when he started him at the Downs a few days ago that the son of Voter would win easily. He was amazed to see Polix drop out of contention early in the race. When the horse was returned to the stable it was found that he had injured a foot severely and while it will not prevent him from racing at some future date, trainer Hughes now has the task of doing all over again what he has been doing with this performer for nearly twelve months. When Polix was in Henry McDaniel's stable he was at one time rated as one of the best handicap horses. His performance, however, were best in the winter time. McDaniel could never get him to race well in warm weather.

JOHN RODEGAP DIES AT LOUISVILLE.

Louisville, Ky., May 27.—John Rodegap, one of the oldest and best known horsemen in the country, died at St. Mary and Elizabeth hospital at 10 o'clock last evening of organic heart trouble. Mr. Rodegap, who was 72 years old, was best known as the trainer of Spokane, which defeated Proctor Knott in the Kentucky Derby, the Latonia Derby and the great American Derby at Chicago in 1889. Mr. Rodegap, who was owner of Dr. Holzberg, and

speculative element. If the patronage exceeds the promoters' expectations, it is believed, extra racing days will be provided in order to attract turfmen who under the present circumstances prefer to race in Kentucky and Canada, where they can obtain action every day in the week.

On the opening day the Westchester Racing Association will distribute \$4,000 among the owners of the winners and placed horses in six races. In order to cover this amount without drawing from the owners' fund it would be necessary to collect admission fees from 1,500 persons at \$3 each. But the \$2,500 guarantee which the Metropolitan Handicap carries will come out of the fund, so that the association will not be compelled to run a big financial risk.

The \$3 tariff, by the way, will not prevail at all entrances except the clubhouse. A section of the grandstand has been fenced off for the accommodation of the race-day patrons. This enclosure will be opened with the idea of permitting the "poor man" to enjoy racing in accordance with his means. The \$3 patrons will be permitted to view the course from the clubhouse, and the sixth and stone's throw of the judges' stand, while the admission to the clubhouse will be \$5.

Several officials new to racegoers here will aid in the management of the sport. C. H. Pottingill succeeds C. J. Fitzgerald as presiding judge. His assistant is E. C. Smith, who has gained much experience on tracks outside the state. The starter is James Milton, a newcomer, who has done efficient work with the barrier at various American tracks. J. L. Hall will be the paddock and patrol judge. W. H. Barretto the timer and W. S. Vosburgh will assign the handicap weights.

Friday's program will include the Metropolitan Handicap, one mile, and five other races. The first to be a selling affair at six furlongs; the second a dash of five furlongs straight for two-year-olds, the third a selling race at one mile and a sixteenth; the fifth a steeplechase for maidens, and the sixth a two-year-old selling affair at five furlongs straight. There will be racing at Belmont Park on Saturday, when the Bouquet Selling Stakes and the Withers for three-year-olds, will be run. Next week the sport will be continued on Monday, Wednesday and Friday, with racing at Piping Rock on Thursday, Saturday and the following Monday.

The big course of the Westchester Racing Association is all ready for the opening. Long before it was definitely known that there would be a resumption of the sport at the Nassau County track superintendent H. L. Polz was busily engaged in making the track ready for the season. With the result he was well advanced when the word was given to go on and make ready. Just enough of the track had been kept in condition to satisfy the requirements of the strings of thoroughbreds that were stabled there. All the other great long stretches and the wide sweeping turns were permitted to become overgrown with grass.

All of this has been removed and right now the course proper is in the best of condition. With the making of the track there was no end of work to be done about the monster grandstand, and that has just about been completed. The field stand will be used for the spring meeting. The lawns have been closely cropped and they are becoming inviting carpets of firm green turf that they were in 1910.

And while all this work has been going forward, another force of workmen was busily engaged in the hand of the steeplechase course. The track had all been leveled for the accommodation of the aviators who exhibited there. Now they have all been restored. They have been strongly built to standard size and each is topped with the green brush that adds so much to the picturesque side of that branch of racing.

Starting stands have been newly painted and put in position, the benches have been brought out of storage and placed in the stands, hedges have been trimmed, roadways and paths have been repaired. The track has been brought to perfect condition and the flags have been renewed.

had interests in several other horses, came to Louisville at the opening of the Churchill Downs meeting. While he had been in poor health for some time, he was able to ride until two days ago.

He was born near Freepoor, Ill., and became identified with the trotters at an early age. About thirty years ago he became interested in the running horse and since then had devoted his time and attention exclusively to them. For the last two years he had made his home at Lexington. He is survived by a widow and one daughter. Upon receiving the news of Mr. Rodegap's death this morning, his son, John Rodegap, Jr., telegraphed the Kentucky State Racing Commission, telegraphed Charles F. Grainger, president of the New Louisville Jockey Club, asking him to take charge of the body and look after the funeral arrangements. Mr. Young added that he had telegraphed Mr. Rodegap's sister in the east for instructions and would communicate with Mr. Grainger as soon as he was advised.

In addition to training Spokane, the deceased at one time had charge of the extensive string of racers owned by Edward Corrigan. He also trained Buck Massie when that great racer was at his best.

Lexington, Ky., May 27.—News of the death of the veteran trainer, John Rodegap, in Louisville last evening, was received here with many expressions of regret. Next to Green B. Morris, he was probably the oldest of the active trainers on the American turf. His most notable achievement as a trainer was probably with Spokane, winner of the Kentucky Derby and the American Derby of 1889. He was once trainer of a big string of good horses, owned by Ed. Corrigan, and later he was the racing partner of H. C. Rodenbaugh, but after Newt Lane shot and killed Rodenbaugh in a Vershire hotel, he opened a public stable, which he conducted for nineteen years with varying success. The end found him in possession of little property of value. His only daughter is a resident of New York.

JOCKEY KILLED AT BELMONT PARK.

New York, May 27.—Thrown over the head of the horse he was riding when the animal stumbled near the Liverpool jump on the steeplechase course, William Smith, a jockey, was killed this afternoon at Belmont Park. His neck was broken when he landed on the far side of the water jump after turning three somersaults in the air. The horse was uninjured. Smith took out Flatter, a newcomer in the field, for a tryout. The horse balked when taken over the cross-country course and refused many of the jumps. Smith forced the animal to take the fences and hurdles after each refusal and finally had the animal working right when he started for the Liverpool. The horse was going at top speed as he neared this leap, but just before the take-off he stumbled, Smith landed twenty feet away on the opposite side of the water and when picked up he was unconscious. He was dead before a physician arrived from the Jamaica hospital. He was connected with the Widener stable, was nineteen years old and a native of Warrenton, Va.

CORRECTION OF ODDS.

The show pay off on York Lad in race \$430 should have been \$5.10, instead of \$5.40.

UPSETS AT DOUGLAS PARK

SURPRISING RESULTS ATTEND DECISION OF SEVERAL RACES AT LOUISVILLE TRACK.

Irish Gentleman Makes New Track Record for Mile and Seventy Yards in Winning Handicap—Floral Park Races Disappointingly.

Louisville, Ky., May 27.—A surprisingly large crowd visited Douglas Park today, although by comparison with yesterday's immense turnout it was small. Improved weather made the racing enjoyable, and the upsets that came in most of the races gave the turf students a jolt. The worst setback that the talent experienced attended the failure of Floral Park, in the third race, when Semprite and McCorkle led her to the finish. Because of her good showing in the Kentucky Oaks, run at Churchill Downs last Saturday, she was considered as the most promising betting prospect of the afternoon and accordingly was supported with such confidence that she went to the post at an extremely short price. She ran prominently for the first three-quarters, by maintaining close pursuit of Semprite, the leader, but when jockey Peak called on her to go to the front she failed utterly and was later displaced for second money by McCorkle. The latter came with a swift rush in the final furlong and just failed to get up for the purse.

J. W. Schorr's Edda was another to which the speculators gave favorable consideration. She was in the mile and seventy yards handicap and, at the weight assignment, appeared to stand out. The Irish Gentleman's connections, however, had deep designs on the purse and they made no mistakes, for he won like a good one in time that lowered the record of 1:43 1/4 by a full second. Irish Gentleman's race of today was in striking contrast to his three essays at Churchill Downs. He was ridden this afternoon by Buxton and the change to this rider from Deavenport, who rode him in previous races, may have had something to do with his improved showing.

Close finishes featured most of today's contests, some of them being of a variety that caused some exceptions to be taken on account of the placing. There is a difficult angle at this course and when a close finish comes those in a position to the left of the judges' stand are prone to think that the one finishing closest to the outer rail is in advance of the inside horse, whereas sometimes the runner next to the inside rail is almost a good neck in front.

The colors of A. B. Spreckels were in front for the first time on a Kentucky course when Birka won the second race, for which Watermelon ruled favorite. The latter suffered bad racing luck soon after the start, when Honey Mine crossed her legs and unseated jockey Goose. Another to suffer by the mishap was Buzz Around, on which Ganz had the mount. The latter put his mount up to avoid striking his brother while passing.

Back Bay started the talent off well by winning the opening dash commandingly. Charter, at a long price, taking second money. The latter was so quickly regarded that he was given the lead in the field. Birka, winner of the second race, was also in the field. Thomas C. McDowell's Bandit graduated from the maiden class in the fifth race, when he managed to last just long enough to score by a short head, in advance of the fast finishing Bird Man. The closing dash was a stubbornly fought battle between Floral Day, Spindle and Cracker Box, the trio finishing in the order named.

Notwithstanding heavy rain last night, the track was in excellent condition and fast time was recorded in all the races. Good judges consider this track to be the fastest in the country and evidently moisture will not effect it for any length of time.

Jockey Goose, as a result of his fall on Honey Mine, sustained a slight dislocation of the shoulder and was forced to cancel his remaining engagements. The three-horse combination, consisting of Irish Gentleman, Bandit and Floral Day, paid its backers \$172.25 for a \$2 investment. The two-horse combination, consisting of Semprite and Birka, was not picked and the pool went to the field players, who received \$82.30 for \$2.

Trainer John E. Schorr stated that Fozzles' injury is not as grave as was supposed and that the horse will come around again shortly. Most of the barriers in Fozzles' big race, the Kentucky Oaks, event in good condition. Ten Point and Foundation will be given plenty of time to recover from the effects of the race. Ten Point is a certain starter in the Latonia Derby, according to owner Aste.

Catechy Woodford today sent Christmas Star to be turned out at Racedale Stud until the Kentucky fall racing begins.

Verena and Servience were excused from starting on account of their owners' inability to secure competent light riders. Princess Callaway and Automatie were excused from starting on account of sickness.

H. R. Brandt purchased today the bay colt by Omaha, bay colt by Ogden—Miss Granville (half brother to Little Nephew; b. f. by Ogden—Cecilia, half sister to W. H. Daniel). The youngsters will be sent to E. R. Bradley's Idle Hour farm to join others owned by Mr. Schorr.

Owner Aste said after the Kentucky Handicap that Ten Point came out of the race a bit tired and that he will be reserved for the Latonia Derby. "It was too much for a three-year-old to attempt to give older horses so much weight. I still think I have a great horse, but Rudolph was too much for him at the weights."

Joseph Martin and John H. Madigan, of the Fort Erie track, made an inspection of the workings of the mutual system here yesterday and expressed great satisfaction over the efficiency of the system as operated at Douglas Park. According to report, it will not be long before the mutuels will be installed at the track opposite Buffalo.

John W. Schorr has bought three yearlings from John E. Madden for \$10,000. They are black colt by Ogden—Ivory Bells (half brother to Old Rosebud; bay colt by Ogden—Miss Granville (half brother to Little Nephew; b. f. by Ogden—Cecilia, half sister to W. H. Daniel). The youngsters will be sent to E. R. Bradley's Idle Hour farm to join others owned by Mr. Schorr.

NOTES OF THE TURF.

Many horses have been falling in the races at Delorimber Park, Montreal, as a result of the deep condition of the course following heavy rains.

Electric Park has been granted four additional days by the Baltimore County Racing Commission, and the meeting will be continued throughout this week. Thus far the association has been up against bad weather, and there has not yet been a fair chance to determine whether the pari-mutuel system of betting can be made a success on the half-mile tracks. For the first three days there was hardly enough play to meet expenses, but Saturday, with improving weather conditions, a big crowd turned out and over \$30,000 was handled in the machines.—Baltimore News.

AFTERMATH OF THE TORONTO OPENING.

The Toronto Star, commenting on Saturday's opening of the Canadian racing season at Woodbine, says:

"All records for attendance at a race meeting in Canada were shattered at the Woodbine Saturday, when 18,000 people turned out. There would have been an additional 500 to add to that figure, but the officials ordered the ticket wickets closed at 2:30, and half a thousand were turned away. At one time the line-up before the wickets extended for over 300 yards.

"In spite of increased accommodation, the participants were unable to handle the money. The jam in the first four races was bad enough, but when the King's Plate was called, the lines leading to the iron men extended right out to the fence, and even with the advantage of a ten-minute delay there were thousands of people unable to buy a ticket on the big event.

"There were at least 3,000 more people than ever before visited the Woodbine. Only once before were the ticket wickets closed, and that was before the accommodations were increased.

"The total amount wagered on the King's Plate race, straight, place and show, was \$29,963, a record amount for any race at the track. The machines, of this \$33,765 was wagered on Hearts of Oak."

ANSWERS TO QUERIES.

F. S., Toronto, Ont. Your return from the four bets was \$53.45.

C. E. W. and R. S., Newport, Ky. Can find no instance of horse winning over a Kentucky track with no ticket sold on it in the mutuels.

James T., Chicago. There was no show betting on race 8389. Cannot inform on what Dick Baker's place price was, he running unplaced and only place prices on the placed horses being furnished.

J. G., Cincinnati, O. Edna belongs to J. W. Schorr. Now at Louisville. Miss Stammel is, or was last year, the property of J. J. McCarren. Sager belongs to Barney Schreiber of Sedalia, Mo.

KOOTENAY IN WINNING FORM.

Spokane, Wash., May 27.—Heavy rain which fell last night made the Alan track a trifle slow today. The crowd was the smallest of the meeting. Favorites did not get much today, nearly all suffering defeat. The colors of J. J. Ferguson of Seattle, were victorious today for the first time during the meeting when Kootenay disposed of a fair band of sprinters. Kootenay showed gameness by standing off several challenges in the stretch.

Winner—B. h. by McGee—The Lady (trained by H. Herdel).

Went to post at 4:14. At post 1 minute. Start good and slow. Won driving; second and third the same. IR. GENTLEMAN, showing vast improvement, was kept close up to the last quarter, where he was sent into the lead with a rush and held EDDA safe through the final sixteenth. Went to post at 4:47. At post 2 minutes. Start good and slow. Won driving; second and third the same. BANDIT was away fast and showed much speed for the first half, but began tiring in the last eighth and barely lasted long enough to win. BIRD MAN ran in closest pursuit from the start, was going best at the end and might have won but for losing ground on the stretch turn. BUSHY HEAD was outpaced for the first quarter but came with a rush in the stretch under urging. CANDY BOX ran well and finished well. DESTINO showed speed, but tired. MACKENZIE ran in improving form.

Scratched—8428 Jack Crowds, 100.

PIPING ROCK SUBSCRIPTION DRAWING.

New York, May 27.—Drawing lots for the elimination trials for the Piping Rock subscription two-year-old race to be run at Locust Valley, L. I., on Thursday, June 5, was finished on Saturday last in the presence of the committee, Thomas Hitchcock, Harry Payne Whitney, Paul D. Cravath and Joseph E. Davis. The trials will be confined to two

trials, each calling for a \$2,500 purse. A consolation race for unplaced starters in the trials will be run on Saturday, June 7, another \$2,500 purse being the prize, while on Monday, June 9, the eight two-year-olds placed in the two elimination trials will race for a \$10,000 purse.

Last fall fifty yearlings were distributed by lot among leading patrons of the turf, who subscribed for their purchase. It is expected that forty of these young colts and fillies will go to the post for the trial events. The list of subscribers to this strictly sporting event includes Clarence H. Mackay, Harry Payne Whitney, August Belmont, H. K. Knapp, F. R. Hitchcock, Frederick Johnson, Joseph E. Davis, C. K. G. Billings, Mortimer L. Schiff, W. R. Coo, Jay F. Carlisle, Herbert L. Pratt, John T. Pratt, Thomas Hitchcock and many other well known residents of the Piping Rock neighborhood.

Intense interest and rivalry already characterize this big race. Some of the two-year-olds have been tried out in races at Pimlico, while many others will face the barrier for the first time at Belmont Park. Many of the eligibles have been trained at the big Nassau County track and the time trials have been recorded with pride by the various trainers and paddocks. Early next week all these two-year-olds will be shipped to the farm of Herbert L. Pratt, adjoining the magnificent Piping Rock course, where new stables and an exercise track of six furlongs have been built for the accommodation of the subscription eligibles. It is planned to hold seven races each day at Piping Rock. In addition to the four events confined to the two-year-olds there will be races on the flat and across-country, including the famous Whitcomb Memorial Steeplechase, which will be revived with an entry list comprising some of the best timber toppers in training. The distribution of the fifty two-year-olds for the two elimination trials follows:
